

You are Awesome by Matthew Syed

Published by Wren & Rook, 2018
Paperback from £3.90

Syed explores how success really happens and how we cannot grow unless we are prepared to learn from our mistakes. In his latest book, You Are Awesome, he distils the principles of growth mindset, resilience and adaptability for a younger audience. With colour illustrations throughout, You Are Awesome is an easy-to-follow guide for children to discover their potential.

A great book for children about determination, resilience and self-confidence.
