

## The Train Game

Write the spelling to be learned twice on a strip of card with spaces between the letters.

Cut the words into separate letters, turn face down on the table and mix them up.

Take it in turns to pick a letter and start to build the word (each person builds their own word).

Letters have to be taken in order eg if the word is 'could' and you turn over an 'o' before the 'c' you need to put it back into the pack.

The winner is the first person to have made the complete word.

Player 1 is the winner
