

SEND SUPPORTED ASSESSMENT

Communication and Interaction Assessment	
<p>Communication and Interaction Assessments provide a preliminary assessment of a pupil's learning in relation to their Communication and Interaction needs in school. Pupils may or may not have an additional Autism Spectrum Condition (ASC) diagnosis.</p> <p>Communication and Interaction Assessments are carried out by a Specialist Teacher with an additional post graduate qualification in the field of Communication and Interaction.</p>	
<p>Assessments will include some, or all of the following, as appropriate:</p> <ul style="list-style-type: none"> • School based observation. • Direct work with the pupil. • Meeting with parent/carer(s). • Liaison with SENCo and/or other key members of staff. • Initial screening for identification of potential sensory processing differences. • Guidance on conducting a sensory environmental audit. • Written summary with advice and guidance. • Discussion with school within one term, to review progress towards recommended outcomes.
